FREE RETURNS AND EXCHANGES

Returns:

Your return must be shipped back to us within 14 days from the date your RMA was issued. Upon receipt and satisfactory inspection of your item, your refund/exchange will be processed through our billing department. Your refund may not show up on your statement for at least one billing cycle. Refunds include product only. The refund we issue covers the purchase price of the product, plus tax, if applicable. The shipping charges to you (and back to us) are non-refundable. We suggest that you send your package through your favorite insured carrier. It is preferable that you ship via a traceable carrier such as Federal Express or UPS so that your item may be traced if necessary. **PLEASE DO NOT SEND PACKAGES WHICH REQUIRE A SIGNATURE.** This will only delay your return or exchange process.

Exchanges (please choose one of the following options):

Option #1: Go to www.JointHealing.Com and order your replacement item from our secure website right now. Usually your exchange can be shipped out the next business day. This option is the quickest way to receive your exchange. **NO RESTOCKING FEE WILL BE APPLIED FOR EXCHANGES.** Please record your new order number on the attached Return/Exchange Worksheet in the space provided.

Option #2: Please complete the attached Return/Exchange Worksheet and enclose with your returned item. When we receive the Worksheet and your item, we process your exchange. Usually your exchange can be shipped out the next business day.

Either option will work for your exchange. We will help you in any manner possible to handle your exchange smoothly and efficiently.

Thank you again for your order. We appreciate your business. If you have any questions, please feel free to contact us anytime. To read our return policy or for further information, please click on:
